PROFESSIONAL EXPERIENCE

IT Technician / Office Administrator / Graphic Designer – GWM Cleaning Services, Oshawa, ON (Jun 2025 – Jan 2026)

Provided end-to-end IT support including hardware/software installation, troubleshooting, and network setup. Built and maintained websites and mobile applications. Designed branding and marketing materials. Handled administrative operations, inventory control, invoicing, and digital marketing initiatives.

Bank Representative – PC Financial, Whitby, ON (Feb 2025 – Jun 2025)

Opened and activated customer accounts and Mastercard credit cards. Delivered front-line customer service, resolved complaints, and met sales targets through ethical and compliant banking practices.

Cybersecurity Analyst (Freelance) – InterGamma (Netherlands) (Dec 2024 – Feb 2025)

Conducted web application security testing, identified vulnerabilities, and produced professional risk assessment reports with remediation recommendations.

Sales Manager – Rogers, North York, ON (May 2024 – Jan 2025)

Led sales teams selling telecom services across Ontario. Developed sales strategies, managed territories, processed online orders, and ensured consistent customer satisfaction and performance.

Sales Representative – TELUS, Oshawa, ON (Sept 2023 – Dec 2023)

Sold smart home security and telecom solutions. Built local sales strategies and delivered clear, professional customer communication.

Store Manager / Sales & Customer Service – Suministros Multiples Nabar C.A., Venezuela (Jul 2022 – Sept 2023) Managed daily store operations, sales strategies, data entry, inventory, shipping, and customer relations.
